

BENDIGO TELCO SUPER MOBILE BROADBAND

Connecting our community

Bendigo Telco's Super Mobile Broadband plans give you the freedom to access the internet on the move. If you're after a mobile broadband service that's great value and contributes to your community's future, Bendigo Telco's Super Mobile Broadband plans are for you.

	Super Mobile Broadband - S	Super Mobile Broadband - M	Super Mobile Broadband - L	Super Mobile Broadband - XL	Super Mobile Broadband - XXL
Monthly Fee	\$20	\$30	\$45	\$60	\$80
Included Data	5GB	8GB	15GB	20GB	30GB

Things to know

All charges and allowances are for usage within Australia (excludes use overseas). Excess usage charges apply once your included data allowance is exceeded. Unused allowances will not carry over to the following month. If you connect to this plan partway through the month then your monthly access fee and any allowances will be calculated based on the number of days remaining in that month, it's called pro-rata billing.

* If you exceed your included data limit on your plan, you will automatically be charged an additional \$10 for an extra 1GB of data. After that, each time you exceed the 1GB block of extra data within the current billing period, an additional 1GB block of extra data will be added at a charge of \$10.

*Network: The Bendigo Telco Super plans utilise the Optus 4G Network

*Cost of 1GB of data (within included allowance) is as follows: 5GB plan - \$0.25, 8GB plan - \$0.266, 15GB plan - \$0.333, 20GB plan - \$0.333, 20GB plan - \$0.375

*Paper invoices (A4) incur a fee of \$2.20 (including GST). Receiving your invoice via email does not incur a charge.

THINGS TO KNOW

Application	Criteria All customers must pass our credit assessment to be eligible for these offers.
What's Included	Your included data allowance can be used to access the internet and to send and receive emails within Australia. Data usage will be counted in kilobytes, where 1000KB=1MB and will include both uploads and downloads. Unused allowances do not carry over to the following month. Customers who sign up to this plan will receive a SIM Card and no other hardware.
Tethering	Customers who connect to Super Mobile Broadband Plans cannot tether from an IOS/Apple device due to technical constraints.
SMS Rates	This service may only be used to access data services or send SMS messages, SMS's will be charged at a rate of \$0.25 per message. Rates listed refer to SMS messages sent within Australia only. You cannot use the supplied SIM card to access voice calls.
Data Limits and Usage Monitoring	Your pricing plan sets out the amount of included data that you can download and upload in a billing month. Data usage will be counted in kilobytes, where 1000kb=1MB and included both uploads and downloads. If you exceed your included data limit on your plan, you will automatically be charged an additional \$10 for an extra 1GB of data. After that, each time you exceed the 1GB block of extra data within the current billing period, an additional 1GB block of extra data will be added at a charge of \$10. If you want to track your usage, use our SmartCentre application available at www.bendigotelco.com.au . Once you have a Smart Centre account; you'll automatically receive email or SMS alerts when you reach 50%, 85% and 100%.
Early Termination Fee	Plans are supplied month to month. Month to month plans are not contracted and no early termination fees apply.
International Use	Rates specified refer to data usage within Australia. Data used outside Australia will be charged at rate levied by the overseas carrier. Data used will not count towards your included data allowance. You will need to have international roaming activated on your service prior to leaving Australia to access this capability.
Coverage Details	This plan enables you to access 4G (when using a 4G compatible device). The Optus 4G Network is available in selected areas. To check coverage go to www.bendigotelco.com.au . Outside 4G coverage areas compatible devices will switch to the Optus 3G Network. Importantly if you have a compatible device and you are in a 4G coverage area you will download data at significantly faster rates. This could see you using more data than you realised. Take advantage of our Smart Centre application to help you monitor your data usage and limit over expenditure. Please refer to usage information below for more information via Smart Centre . Where only GSM coverage is available you will not experience broadband speeds. Actual speed achieved will vary depending on how far you are from the mobile tower, configuration and quality of your connection, the number and type of services being used in the connection area, your computer's hardware and software setup, and the configuration of any computer you are trying to access remotely.
SIM Cards	The service is only available for use with a Bendigo Telco supplied SIM card and approved Mobile Broadband modem or tablet.
System Requirements	To ensure you are maximising the best speeds available from our network it is important to check the system requirements on your personal device are compliant with our network. For full details of the applicable system requirements please call our Customer Centre on the contact phone number below.
