Terms and conditions

1. All calls are charged in one second increments.
2. Standard call rates apply after the capped period.
3. A list of call rates for international destinations is available on request.
4. Installation charges apply for new connections. Speak to your customer service representative for actual costs.
5. A three month minimum term applies to ISDN services. If you cancel your service before the minimum term an early termination fee will apply. The early termination fee is calculated by multiplying the monthly line rental for your plan by the months remaining in the minimum term.

We can also provide a wide range of extra services on your standard fixed line. For further details please speak to your customer service representative.

This price list is effective 1 December 2008. All prices include GST.
