Terms and Conditions

1. \$200 setup fee applies to port your existing numbers. Talk to Bendigo Telco for more information regarding porting.
2. The minimum monthly fee for this services is \$199.
3. NBN Voice services utilise SIP. It is your responsibility to ensure your phone system is SIP compatible.
4. Product is only compatible with Bendigo Telco supplied routers.
5. Offer only available to businesses with an ABN.
6. Offer is subject to geographic availability in NBN Fibre connected areas. Ask Bendigo Telco staff if this offer is available in your area.
7. 24 month contract applies. Total minimum spend over 24 months is \$4,776. Early termination fees (ETF) apply. ETFs are calculated by multiplying the number of months remaining in the contract by the minimum monthly fee.
8. Some services such as Fax and EFTPOS may not work over NBN Voice. Speak to Bendigo Telco to discuss fax and EFTPOS solutions.
9. Call charges apply. Local calls and calls to Australian national numbers are \$0.11 per call. Calls to Mobiles are \$0.21 per minute. Cost of a 2 minute call to mobiles within Australia is \$0.42. Calls to 13/1300 numbers are \$0.35 per call. For more information on call rates, refer to Bendigo Telco website.
10. All prices include GST.
11. Paper invoices (A4) incur a fee of \$2.20 (including GST). Receiving your invoice via email does not incur a charge.
