OTHER INFORMATION

Usage Information;
We recommend that you track your usage by using our MyServiceCentre application. It is available on our website www.bendigobanktelco.com.au. You will automatically receive email or SMS alerts when you reach 50%, 85% and 100% of your monthly allowance.

An extension of our MyServiceCentre application, Bendigo Bank Telco's Mobile app lets you monitor your handset, ADSL and mobile broadband usage on the go. Our Mobile app is downloadable from standard marketplaces.

International Roaming;
You will need to have international roaming activated on your service prior to leaving Australia to be able to access this capability. Once you have access to international roaming it is easy to run up expensive charge's very quickly.

Things to remember:

- All rates specified within your product terms and conditions refer to usage within Australia. Data used and SMS messages sent outside Australia will be charged at a rate levied by the overseas carrier.
- International roaming charges are not part of your plans included value.
- For more information on international roaming go to our website.

If you have a MyServiceCentre account you can receive an alert once you start to incur international roaming charges against your account. Please refer to usage information above for more information on MyServiceCentre.

Pro Rata Billing;

If you connect to this plan partway through a month then your monthly access fee and any allowances will be calculated based on the number of days remaining in that month, it's called pro rata billing.
